Green Your Home, Green Your Wallet

FREE workshop on Home Energy Efficiency

Date: Thursday, January 21st, 6 to 8pm

Location: Donald W. Reynolds Community Non-Profit Center
948 Incline Way, Incline Village, NV

Learn simple cost-effective ways to reduce your energy consumption & costs, related to both home heating and electrical use. This workshop will include information and resources available in the North Tahoe region. There will be hands-on activities and demonstrations, including lighting efficiency, using an infrared camera, and how to perform caulking & weather stripping.

The workshop will include presentations and information from:

- Eli Meyer, Sierra Green Building Association
- Scott Terrell, Truckee-Donner Public Utility District
- Chuck Levitan, Sierra Nevada College
- Paul Taylor, Better Building Company
- David Gibson, Envirolution

University of Nevada
Cooperative Extension

This event is presented by the Parasol Environmental Team. For more information contact: John Cobourn, UNR Cooperative Extension: (775) 832-4150 or Cobournj@unce.unr.edu
